

Poster Posting and Presentation Guidelines

- The poster must be written in English.
- All posters will be displayed on the board for a designated period of time. Additionally, the presenter is required to be by their poster during the presentation time.
- The dimensions of the poster board are 90 cm (width) × 150 cm (height).
- At the top of the poster, include the title of the presentation (capitalizing the first letter of all words except prepositions, articles, and conjunctions), along with the presenter's name and affiliation.
- The poster content should be organized in the following order: Abstract, Objectives, Materials & Methods, Results (including Figures and Tables), Conclusions, and References (approximately five key references).
- All posters must be removed by the presenter once the posting period has concluded. Posters not removed after the designated time will be taken down and discarded by the Secretariat.
